Case Manager

Description

We are seeking a dedicated Case Manager to coordinate and offer clinical care services to our patients. The Case Manager will be in charge of analyzing patient requirements, creating care plans, and working with healthcare specialists to guarantee the best level of care. This role provides a wonderful chance to positively impact the lives of patients and their families.

Responsibilities

- Conduct thorough evaluations of individuals' medical histories, present conditions, and healthcare needs.
- Create specific care plans based on patient assessments, medical information, and treatment objectives.
- Coordinate and oversee the delivery of clinical care services such as medication

management, wound care, and patient education.

- Collaborate with doctors, nurses, therapists, and other healthcare professionals to provide coordinated and effective care.
- Provide ongoing support and assistance to patients and families, addressing concerns and answering questions about their care.
- Evaluate the efficacy of care plans and make changes as needed to get the best patient results.
- Maintain accurate and current documentation of patient assessments, care plans, and interventions.
- Stay current on healthcare trends, best practices, and regulatory needs for clinical care management.
- Attend multidisciplinary team meetings and case conferences to discuss patient progress and treatment options.
- Adhere to all ethical and professional norms of conduct while maintaining patient confidentiality and privacy at all times.
- Be open to accepting new challenges and tasks as they arise.

Qualifications

- Excellent Communication Skills
- With Active PHRN License
- With at least 2 years of experience in US Healthcare Account.
- **Experience in Case Management.**
- Experience in Utilization Management.
- Experience in patient chart management and handling medical records.
- Experience using EMR/EHR Tools.
- Familiarity with medical terminology and clinical decision support.
- Proficiency with Microsoft Applications.
- Highly organized with a strong attention to detail.
- Comfortable in a fast-paced environment.
- Approachable, professional, discrete, and personable.
